Return to CIA Library

1. Communist successes in the Amoy area were largely a result of the reluctance of Nationalist Generals LIU Ju-min; and TS'AO Fu-lin (劉福林), members of the old FENG Yu-hsiang Northwest Clique, to commit their troops to battle.
2. Before the Communist occupation of Amoy, LIU and TS'AO were sent by T'ANG An-po to Taiwan, where they were removed from their commands by CH'EN Ch'eng, head of the Southeast China Command. Their troops, now also on Taiwan, will be reorganized under other Nationalist officers.
